**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I write this letter in support of competition in broadband internet access. I am using bundled telephone and DSL services from Sonic.net, a small local (Northern California) provider because this is the most cost effective way for me to have internet access.

Please do not allow the big incumbent carriers to cut off the small providers.

Thank you
